Rio Grande Fence, Johnson City, TN

"We were impressed with Fortress™ Fence Products' performance in supplying the 8' tall material for this project. Package labeling, product quality, accuracy, and delivery all exceeded our expectations. The result was a project very pleasing to the owners and completed ahead of schedule. We look forward to our next Fortress Fence project".

DeDe Widener, Rio Grande Fence

V2 by Fortress is designed and manufactured to meet stringent requirements of architects and specifiers.

PRODUCT PROMISE: Fortress™ Fence is committed to delivering quality, on-time performance and exceeding expectations on every installation.

PROJECT DETAILS:

Eastman Kodak, now known as Eastman Chemical, is a global specialty chemical company focused on delivering innovative and technology-leading solutions with a commitment to safety and sustainability. They were moving corporate offices and seeking new solutions for their property fence installation.

PRODUCT DETAILS:

CT4-V2 94" COM-90.5" with custom slide/cantilever gates were used to ensure security of the facility.

PROJECT SOLUTION:

After a thorough review of our curved top sample in a one-on-one presentation, BWSC had full confidence in Fortress Fence Products supplying the custom 4-rail, curved top panels.

Fortress Fence Products is proud to offer a full range of custom fabricated gates and panels to meet any project needs. We provide a dedicated staff to help design any gate or panel to individual specification and style; available in a broad range of premium finishes. Fortress Custom Fabrication offers a 5-year limited warranty and manufacturers products to a standard. Our pre-galvanized and premium powder coated steel ensures gates and panels will withstand the elements. For assistance with developing custom gates or panels, information about custom colors or pricing, please contact us at 1-844-909-1999 or specifications@fortressfence.com.

Fortress Fence proudly offers Versai Residential, V2 Commercial and V3 Industrial product lines.
