PROJECT DETAILS:

Ditch Witch is an equipment and parts manufacturer offering the most productive construction equipment nationwide. They are dedicated to offering the highest quality equipment parts and service in the industry. In addition, contractors know and trust the high quality equipment that Ditch Witch has to offer.

PRODUCT DETAILS:

Ditch Witch changed the architecture plans to dictate SP3 Titan 70' IND with custom slide/cantilever gates.

PROJECT SOLUTION:

American Fence Company worked directly with Ditch Witch to transition this project to the customer's design plan. We were asked to present the contractor with samples of our Titan product line along with samples of the competition. After seeing the side by side comparison, Ditch Witch chose to move forward with Fortress. The large cost savings were a bonus.

Fortress Fence Products is proud to offer a full range of custom fabricated gates and panels to meet any project needs.
