PROJECT DETAILS:

Waxahachie High School is a new high school with 11 acres under roof. Featuring 80,000 square feet dedicated to career and technology, a state-of-the-art performance hall, a greenhouse for the horticulture program and a full-sized kitchen to encourage and grow the culinary arts.

PRODUCT DETAILS:

FT/FB2 V2 70" COM-90.5" with custom swing gates were used to ensure security of the facility's practice fields and student parking.

PROJECT SOLUTION:

Through teamwork and communication, Fortress Fence worked directly with Corgan to provide an applicable product specification during the planning stages of this project. The specification provided a cost effective solution that also met the school district's security needs.

Fortress Fence Products is proud to offer a full range of custom fabricated gates and panels to meet any project needs. We provide a dedicated staff to help design any gate or panel to individual specification and style; available in a broad range of premium finishes. Fortress Custom Fabrication offers a 5-year limited warranty and manufacturers products to a standard. Our pre-galvanized and premium powder coated steel ensures gates and panels will withstand the elements. For assistance with developing custom gates or panels, information about custom colors or pricing, please contact us at 1-844-909-1999 or specifications@fortressfence.com.

Fortress Fence proudly offers Versai Residential, V2 Commercial and V3 Industrial product lines.
