"Thank you for your excellent service in providing the Waxahachie Police Facility in Waxahachie Texas with a quality product fence. We were able to provide Fortress Fence as a voluntary alternate with a considerable cost savings to our customer. The fence looks as good as any iron product I have worked with in the market with a warranty that rivals its competitors. You and your team provided outstanding service before, during, and after the project. We look forward to working with you again on future projects."

Jon Stiles, Branch Manager, Robinson Fence

**PROJECT SOLUTION:**

This was originally specified with a competitor's product. Through the submittal process we worked closely with Robinson Fence to have our product approved. This included phone conversations and letters to the Architect firm and the GC.

Fortress Fence Products is proud to offer a full range of custom fabricated gates and panels to meet any project needs. We provide a dedicated staff to help design any gate or panel to individual specification and style; available in a broad range of premium finishes. Fortress Custom Fabrication offers a 5-year limited warranty and manufacturers products to a standard. Our pre-galvanized and premium powder coated steel ensures gates and panels will withstand the elements.
