Tetra Tech, Seattle, WA

CONTRACTING FIRM:

Viking Fence, Bremerton, WA

"After many years of looking at the Fortress product we made the decision to use the fence materials on the Carpenter Creek Bridge Project. The product met all the requirements we and the customer were looking for. As any construction project there were some "hitches" in the get a long but Fortress and all involved were eager to get things resolved."

John Rosebeary, Viking Fence

Titan by Fortress is designed and manufactured to meet stringent requirements of architects and specifiers.

- E-coat and architectural grade powder coat
- UV inhibitors reduce fading over time
- Virtually maintenance free

COATED WITH

- 45000PSI STEEL
- ZINC GALVANIZE G60
- NANO CERAMIC COATING
- E-COAT
- ARCHITECTURAL GRADE POWDER COAT

PRODUCT PROMISE: Fortress Fence is committed to delivering quality, on-time performance and exceeding expectations on every installation.

PROJECT DETAILS:

Bridge built for salmon population restoration in Carpenter Creek. The bridge allows for tides to flow underneath giving the salmon a chance to swim upstream and spawn.

PRODUCT DETAILS:

Fortress FT3 58" Titan Commercial domestic panel.

PROJECT SOLUTION:

Fortress Titan Commercial fencing was used on both sides of the bridge. The idea is to keep people out of the protected area. Preventing corrosion around Carpenter Creek banks and to prevent harassment of the salmon during the spawn.

Fortress Fence Products is proud to offer a full range of custom fabricated gates and panels to meet any project needs. We provide a dedicated staff to help design any gate or panel to individual specification and style; available in a broad range of premium finishes. Fortress Custom Fabrication offers a 5-year limited warranty and manufacturers products to a standard. Our pre-galvanized and premium powder coated steel ensures gates and panels will withstand the elements. For assistance with developing custom gates or panels, information about custom colors or pricing, please contact us at 1-844-909-1999 or specifications@fortressfence.com.
